

Innovative Methodologies for Teaching & Learning

GROUP: SEAN O'CASEY BRIDGE

Alba, Miriam, Silvia, Orsi, Pavol

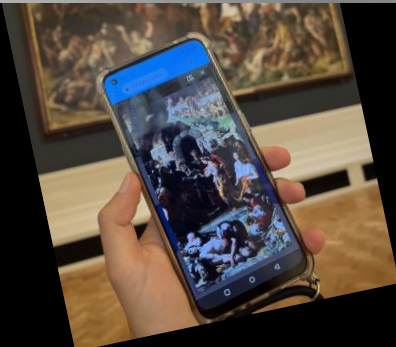

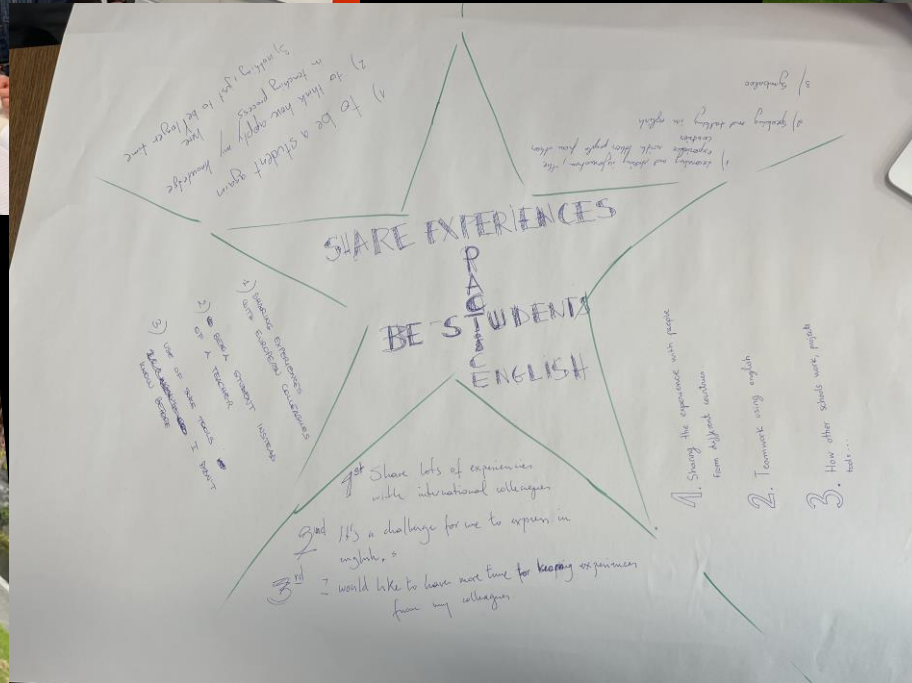

Erasmus+

LEARNED FROM THE COURSE

- Interaction with colleagues from other countries and sharing experiences with them
- Discovering Irish culture (Contexts4Content)
- Exercises and tools to be used with our students
- Be students
- Working in groups and cooperating
- Improving our English
- How important it is to meet thanks to the support of the Erasmus+ program

PHOTOS

PRACTICAL APPLICATION

- Sharing our experience with our colleagues and students so they can use it
- Improve students' lessons with innovative methodologies (Game based learning, Story Telling, Cooperative learning, etc.)
- To combine the past tools (note book) with the modern ones (like Padlet, SeeSaw, Quizlet, etc.)
- Integrate present moment practices in our lessons.
- Being better connected European citizens
